Now you can play a game in groups of 3-4. First you need to do some preparation: collect irregular verbs, adjectives, sentences, free questions that you can ask the others. When you arrive on a 'FREE QUESTION', your neighbour on the left can ask you anything (based on what you have learned). On 'VERB FORMS', you have to give the correct past and past participle forms of 3 verbs. On 'ADJECTIVE FORMS', you have to say the comparative and superlative forms of 3 adjectives. On 'QUESTION FORMS', you have to ask at least 2 questions about a sentence that you get.
